

LondonExcellence **Sponsorship Opportunities 2017-18**

LondonExcellence is
*a social enterprise connecting a thriving community
of people who have a common passion
for raising performance*

*Be recognised as being at the fore-front of our movement
seeking to raise the performance of all organisations*

*Our community is open to all
regardless of sector, location or experience*

Why sponsor LondonExcellence?

LondonExcellence brings together a community of business leaders in pursuit of excellence. Engage with leaders across a range of sectors and grow the community that shares your commitment to excellence, business growth and improvement.

Sponsorship opportunities

Exclusive conference partner (1 available)	£10,000 +vat
Blue Riband award sponsor (1 available)	£9,000 +vat
Assessor of the Year (1 available)	£9,000 +vat
Themed award sponsor (8 available)	£7,500 +vat
Sector award sponsor (1 per sector)	£5,000 +vat

If more than one award is sponsored, a discount of 5% is given on your total spend for each additional award sponsored.

LondonExcellence do not guarantee that any specific event will run.

About LondonExcellence

Our Aim is to: facilitate peer support for, and recognition of, organisational excellence, providing unique CPD opportunities through these activities

Our Goals are to:

1. Grow a strong community of people committed to raising performance
2. Facilitate learning through peer-assessment and the sharing of good practice
3. Provide recognition of commitment to, and achievement of, organisational excellence

Our Services provide:

- free training in the principles of organisational development;
- affordable training in the core skills required for the on-site, objective assessment of organisational maturity – skills that are transferrable to other work based activities;
- affordable peer-reviews providing feedback and a performance benchmark;
- recognition of the highest performing and most inspirational members of our community;
- unique CPD opportunities through:
 - onsite insights into good practice across a range of sectors
 - network events to learn from our most inspirational organisations
 - on-line resources including improvement tools and case studies

Our services are founded on sound organisational development principles which have their basis in the EFQM Excellence Model[®], making its power accessible to all. Our unique approaches have evolved through more than 17 years of experience gained from networks, training, assessments and awards. A list of the organisations that have been involved with us through our earlier awards are listed in Appendix 1 to provide an indication of the diversity of organisations engaged.

Whilst we aim to make all our activities affordable through our peer support approach, with the support of our Sponsors and Members we are able to offer pro-bono support to small community organisations who cannot otherwise afford it.
